Eliminate Unwanted Fat, without Diet or Exercise?

New age Labs, the foremost Authority in advanced weight loss product development, has just introduced their latest technological Breakthrough with the release of The Slim Again weight management system. New Age Labs combines their two latest breakthrough products with Fat Burner calcium pyruvate and chitosan plus, the ingenious patented fiber complex product Fat Absorber, to create the Slim Again Weight Loss System. In fact, Dateline NBC featured a special segment on pyruvate itself, with doctors backing the studies done on pyruvate over the past few years. Dateline's positive statements were much anticipated by both retailers and consumers. Pyruvate, in the words of Healthy & Natural Journal is "perhaps the most promising weight loss supplement to come along in years." With the clinical studies and the medical doctors endorsing pyruvate as a weight loss is unmatched in the world today. The World's leading body building publication, Weider's Muscle and Fitness magazine hailed pyruvate as the "The Fastest Fat Burner" on its cover.

Sandy Clarkson
Nutrition Editor

Muscle and Fitness Magazine Also published a body building science article from the Weider Research Group. The article stated, "According to the latest Research, pyruvate is reported to increase lean body mass and decrease fat in normal people." New age Labs didn't stop there in their pursuit of the absolute ideal weight loss system. With the addition of the Fat Absorber, Chitosan Plus, originally released by New Age Labs in 1999 has been a mainstay and a solid stand-alone weight loss product over the past 7 years.
